Earlier in the day on Monday would be best if that could work for others. Otherwise, early on Tuesday is my second choice if possible as well. Thanks, Debra.

Nat –

Unfortunately I'll be participating on the tech call with the EPA technical staff from 2-4pm Eastern on Monday. Is it possible to schedule the CES call earlier in the day or move to Tuesday?

Thanks,

Mr. Cargas:

The EPA Attorney associated with this site is Amy Salinas. Her contact information is salinas.amy@epa.gov and her number is 214.665.8063. I would appreciate it if you could get in touch with her as she is in the office today and tomorrow.

The sooner you two can talk the more quickly we can resolve any issues so that we are not delayed in performing the cleanup activities on the site.
